Annals of Gastrointestinal Endoscopy

- Edited by Cotton PB, Tytgat GNJ, Williams CB; published by Current Science, London, 1988–95.
- These include reviews of the previous year's literature by international experts, covering all aspects of gastrointestinal endoscopy.

Gastrointestinal Endoscopy Clinics of North America

- Series editor Sivak MV; published by WB Saunders, Philadelphia, 1991–96.
- Quarterly editions with guest editors. Each edition focuses on a particular endoscopic topic.

Endoscopy Society Publications

Many endoscopy societies produce guideline documents and technology assessment evaluations. We recommend particularly those produced by the British Society of Gastroenterology and American Society for Gastrointestinal Endoscopy (often in collaboration with other digestive disease societies).

British Society of Gastroenterology, 3 St Andrews Place, London, NW1 4LB UK.

American Society for Gastrointestinal Endoscopy, 13 Elm Street, Manchester, MA 01944 USA.
